MALLUCCI

TREATMENT MENU

WELCOME TO MALLUCCI

Mallucci is a luxury wellbeing and aesthetics space, located in Mayfair & South Kensington, which creates a place for you to switch off and renew.
The team, led by world renowned surgeon, Mr Patrick Mallucci, offers you the latest innovations in bespoke, non-invasive skin and body treatments. With dedicated specialists on hand, Mallucci's ability to bring out the best in you is truly limitless.

Please contact us for further information on all treatments.

FACIALS & SKINCARE

Tailor-made facials and skincare for enhancing your beautiful skin

OXYGEN FACIAL

- A perfect pre-event treatment for a smooth, glowing complexion

HYDRAFACIAL

- Six individual facial treatments in one for instant radiance

FIRMING FIRE & ICE FACIAL

- Transforming fatigued skin, with instant illuminating results

ENRICHING OXYGEN FACIAL

- A long-lasting, plumping, moisturising and glowing treatment

CONTOUR & GLOW FACIAL

- Cleanses, contours and plumps the skin for a radiant look

GENEO X

- Facial treatment combining exfoliation, oxygenation, and nourishment for refreshed, radiant skin

INJECTABLES

Semi-permanent injectables for natural-looking rejuvenation

DERMAL FILLER INJECTIONS

- Collagen and hyaluronic acid injections to enhance facial contours

BOTOX® (WRINKLE SMOOTHING INJECTIONS)

- Botox® is used to reduce visibility of wrinkles, giving a smoother appearance

PRP (VAMPIRE FACIAL)

- Rejuvenates skin, plumping wrinkles and stimulating collagen for a radiant, uplifted complexion

POLYNUCLEOTIDES

- Injectable bio-stimulator, boosting collagen and elastin

HYPERHYDROSIS

- Botox® is injected into the site to help reduce the visible signs of excessive sweating

SKIN BOOSTERS

Injectable skin boosters that improve tone and texture

MALLUCCI GOLD

- 24 carat gold-plated micro-needles deliver a bespoke cocktail of active ingredients

PROFHILO STRUCTURA

- Hyaluronic acid injectable gel to restore facial volume, structure, and improve skin quality

PROFHILO FACE

- injectable treatment that uses hyaluronic acid to improve skin texture, elasticity, and firmness

AMINO ACIDS

- Amino acids help reduce fine lines and wrinkles

MESOTHERAPY

- Ultrafine needles deliver rejuvenating substances deep into the skin for revitalisation

SKIN TIGHTENING & REJUVENATION

Tighten, tone and rejuvenate your skin with highest quality devices

DERMA FNS MICRONEEDLING

- Stimulate collagen and elastin and improve skin tone

CHEMICAL PEELS

- Reveal brighter, healthier younger looking looking skin

RADIOFREQUENCY

- Radiofrequency stimulates collagen to help tighten and rejuvenate the skin

MORPHEUS 8

- RF and microneedling lifts and contours while reducing lines and wrinkles

SOFWAVE

- Light-based skin tightening for long-term lifting and rejuvenation

LUTRONICS GENIUS

- A boost in collagen production designed to reduce scarring, plump lines and wrinkles, and brighten the skin

BODY TREATMENTS

Enhance & refine the body with contouring & skin-tightening

COOLSCULPTING

- Fat freezing treatment that targets and eliminates stubborn fat

SCLEROTHERAPY

- Minimally invasive treatment for varicose veins and spider veins

EMSCULPT NEO

- Radiofrequency and HIFEM+ energy eliminates fat and builds muscle

PROFHILO BODY

- Treatment that uses hyaluronic acid to tighten and improve skin texture

ULTRASOUND

- breast scanning via ultrasound to review breast tissue

VOTIVA

- Radiofrequency that tightens, treats vaginal dryness, stress incontinence and other issues

LASERS

The latest innovations in laser technology for your skin

SCITON HALO

- An anti-ageing laser to improve skin tone and texture

SCITON MOXI

- Tightening and firming IPL to stimulate collagen synthesis

SCITON BBL

- Laser treatment that uses IPL to improve the appearance of skin

SCITON ERBIUM

- Target and remove damaged skin layers to promote smoother, rejuvenated skin

LASER HAIR REMOVAL

- Laser treatment for comfortable, permanent hair reduction

LASER SCAR REMOVAL

- Helps reduce the appearance of scars

LUTRONICS LASE MD

- Brightening skin complexion

WELLNESS

Look great but feel amazing with Mallucci's wellness range

BODY BALLANCER

- Lymphatic drainage massage suit that improves circulation and enhances the lymphatic system

MANUAL LYMPHATIC DRAINAGE

- Stimulates lymph flow to break down fat, smooth cellulite, and relieve stress

VISIA SKIN SCAN

- Consultation with digital facial scan for deeper skin analysis

LED DERMALUX

- Blue and red light targets acne, rosacea, pigmentation and more

HYPERBARIC OXYGEN CHAMBER

- Replenish your body with pure, pressurised oxygen to accelerate healing and rejuvenation
